LifeTraining

CUBE MASTERS - NOT JUST FOR NERDS

Explore the magical world of Cube Masters, where Lego cubes come to life! Create amazing constructions and discover the power of imagination.

Work in teams to create the most exciting and impressive constructions within a time limit.Explore the endless possibilities. Plan, design and create the most exciting and creative structures. Develop your problem solving skills as you play our exciting game and build trust between members of your team.

Our Cube Masters program guarantees fun and memorable moments as you build your Cube Empire and your team.

10 - 80 people half-day program in small groups

creative building

Csatlakozz a tréningünkhöz, és alkossatok közösen valami különlegeset.
