MONA LISA'S SMILE - NEW!

The game is on! Our new team-building activity is based on the principles of an escape room, with creative puzzles and brain – teasers. It's an exciting and interactive challenge for e

Come with us to 221B Baker Street, where Sherlock Holmes lives and help to solve the mystery! Find the culprit and return the stolen art piece!

During the game, you get to become a character from the famous detective novel. You have to solve puzzles, discover missing objects, seek information, make deals with the villains; work closely together and find the missing key to uncover the mystery:

Where has Mona Lisa's smile gone?

Our team-building program allows you to think together, not only with your team members, but also to get information from other teams, while working step by step to unravel the threads that lead to the solution.

Duration: approx. 1-2 hours, brain -teasers and logic exercises

Number of participants: 50 - 120 people, in small groups

Csatlakozz a tréningünkhöz, és alkossatok közösen valami különlegeset.
