MONEY HEIST

Bella ciao, bella ciao, bella ciao, ciao, ciao, ciao... we hear the iconic song as the teams arrive. Energy, cooperation and cohesion are the main motives of this team building program.

As preparing for the big bank robbery participants will face different challenges in an exciting game.

Their goal is to prove they are ready to carry out the secret plan by overcoming all the trials. It is a complex task, to the success of which some team members can contribute physical aptness, some creativity, others cooperative skills.

The team with the highest score will be rewarded.

The Challenges are:

- Focusing
- Training
- Planning
- Escape

- Cooperation
- Perception

Duration: half day

Participants: up to 200 people
