"PALÓC" ADVENTURES - HOLLÓKŐ

New Palóc adventures in the old village. Palóc curiosity, taste-test, Palóc selfie and unleash the brandy. Team members will also have the chance to do these things during a walk from the Castellum Ho

We will walk through the World Heritage-listed Hollókő. The interesting thing about the village is that it has not become an open-air museum, it is still a living, inhabited village.

During the programme, teams will complete tasks and team-building challenges involving a variety of local traditions and modern technology, while learning about the village's fascinating history.

The programme will conclude with a culinary experience including a special taste of the Palóc region.

The programme is also available in English.

Duration: half a day
