TRAITORS - SECRETS OF THE CODEX

A mysterious team. An ancient manuscript. A built -in traitor. Life Training's latest team building program brings the excitement of strategic thinking, cooperation and logical investigation

For centuries, your team has preserved the mysterious codex, which is said to have an ancient knowledge that can change the fate of the whole world. Now, however, there is a danger: a traitor has entered the team's confidence! Who can be? And do you manage to reveal it in time before the code is in unauthorized hands?

During the program the teams:

- Solve mysteries with the voynich manuscript
- They investigate after the traitor who hides between them.
- They build a strategy and make decisions, whether they cooperate with others or keep key information for themselves.
- They run a race over time to prevent the danger to the world!

Unique story, exciting turns and challenging team building - do you and your team decipher the secret of the code or the traitor victim?

Don't miss this unforgettable experience!

Duration of the program: half a day

Participants: 5Up to 0 people
