WITH A LITTLE SUITCASE IN THE BIG WORLD

Our latest program invites participants to a journey around the whole big world carrying a tiny little suitcase.

Who would not like to travel and discover new sights?

Different stops represent different countries where exciting tasks, challenges and unexpected turns evoke the spirit and the characteristics of each country. Bake pizza in Italy, prepare for a wedding in India!

This team building program is an energy and inspiration booster for all participants. It unites team members through an exciting and captivating experience, enhances communication skills, problem solving and cooperation.

Duration: half day

Participants: up to 200
