

EMPIRE OF SENSES

The Empire of Senses is an exciting interactive team contest that leads the teams through the wonders of all 5 senses. Sensory 6 is just an addition.

Hearing •

Teams will be challenged to identify unique sounds, noises and music at our highly cheerful audio recognition station.

Smell •

Which team recognizes the most fragrances? Special essential oils, aromas and spices await the groups.

Vision •

Detection of individual macro images and exciting film details test participants' vision.

Tact •

What is hiding in the bag? Who can discover most of the figures the fastest? Can the team recognize special objects just by touch?

Taste •

Fine sense of taste is required to detect individual flavors. Chocolates with special flavoring will challenge the teams' taste buds.

Duration: half-day program

Number of participants: 50-250 people in smaller groups
