

## THE MYSTERY

**The mission of the teams is to solve the mystery! It is a Life Training developed, innovative and highly exciting team building game using special tools.**

It is also location independent: we can install it in the forest, in a park, or even indoor, e.g. in a hotel.

Solving the puzzle will test your team's endurance, logic, planning, orientation and creative skills. Teamwork and cooperation is essential for success.

A time limit is set. At the end of the program results will be announced and valuable prizes will be distributed among the winners.

**Duration:** half day

**Participants:** up to 200 people
